Standings. Standings. Each team will be awarded three (3) points for a win; one (1) point for a tie; and nil (0) points for a loss. In the event of ties in the standings, the following procedure will determine the Group Winner: If three or more teams are tied, start with step #2. After one team is eliminated, we do not go back to step #1, we continue on to the next step. 1. Winner of the game played between tied teams 2. Highest number of total net goals - goal differential with a maximum of (4) four goals per game. (Example: a score of 9-3 is a goal differential of +4 for winning team and -4 for the losing team) 3. Fewest total goals allowed 4. Penalty Kicks (FIFA-laws of the game)
