What Makes Westside Soccer Club Unique?

- ✓ We offer a true 'Select' program playing in CUSL (the most competitive league in Cincinnati) BPYSL (Buckeye Premier Youth Soccer League) and ISL (Indiana Soccer League). Our goals are to enable the continuation of learning and development of skilled athletes in the game of Soccer. Players are taught by their respective coaches and trainers to master their soccer skills, learn more about tactics, be given valuable lessons in sportsmanship and develop a deep appreciation of the game through hard work and practice.
- ✓ WSC staff is diverse with a broad range of talent that covers 14 Nationally Licensed Coaches, 17 State Licensed Coaches, Dedicated Goalkeeper trainers that include current University of Cincinnati players, 9 former college players, and 6 regional High School coaches. WSC provides Professionally Licensed trainers for each team.
- ✓ Our objective is to help each individual achieve their full potential as soccer players.
- ✓ WSC has three Soccer Complexes in the Tri-state - Westside fields North, Westside fields South and our Indoor Training Center.
- ✓ WSC is partnered with Southeast Indiana Communities offering the first regional programs in two states, Ohio and Indiana, including a junior league (ages 4-7), a scholarship program, skills, fitness and acceleration training with summer camps and 4v4.
- ✓ Due to our two annual tournaments, we are able to keep team fees low.
